Introducing the New JCCC Research Program Areas

The JCCC has unveiled our new research program areas, now reorganized to better facilitate collaborative research at UCLA. Click here to learn about the eight operating program areas and their objectives, meet their directors, and discover how the program areas can bring you together with fellow JCCC members and UCLA faculty with similar research interests.

We Need Your Help!

- Help us make the JCCC website more useful to you. Take the online member survey today and give us your feedback!
