Year-end gifts help support research year-round

Nearly half of all charitable donations are made in December. The Jonsson Cancer Center Foundation makes it easy for donors to support research at JCCC. Gifts can be made [online](#) and donors can direct their gifts to a particular researcher (e.g., you) or type of cancer research. Donors can even send you a nice holiday eCard announcing their gift. This season, why not ask family and friends to [make a gift](#) to support your research, or an unrestricted gift that benefits the Cancer Center overall. Thank you for advancing cancer research at JCCC!

Funding opportunities

As a member, you can access all the latest intramural and extramural research grant opportunities via our UCLA CCLE online resource
