Give the gift of hope for Valentine's Day

This Valentine's Day, honor a loved one with a gift to support cancer research at the JCCC. It's as easy as 1, 2, 3! Start by giving any amount you wish to the JCCF. Next, select one of our eCards. Then just schedule your eCard to be sent automatically on February 14. Show your loved one how much you care while giving back to fund life-changing research. Give now!

UCLA scientists design a new method for screening cancer cells

Parallel microfiltration could lead to better treatments for a number of diseases, says study led by Dr. Amy Rowat
