

## UCLA Jonsson Comprehensive Cancer Center

### Year-end gifts help support research year-round

The Jonsson Cancer Center Foundation makes it easy for donors to support research at the JCCC. Gifts can be made online and donors can direct their gifts to a particular researcher (e.g., you) or type of cancer research. Donors can even send you a nice holiday eCard announcing their gift. This season, why not ask family and friends to make a gift to support your research, or an unrestricted gift that benefits the Cancer Center overall. Thank you for advancing cancer research at the JCCC!
