Taste for a Cure 2018

Weâ€™re pleased to share that the JCCF's signature event Taste for a Cure on Friday, April 27, was a great success! Paul Telegdy (President, Alternative and Reality Group, NBC Entertainment) was honored with the 2018 Gil Nickel Humanitarian Award, Multi-Michelin Star Chef and TV star Gordon Ramsay hosted, and global superstar Kelly Clarkson performed three of her hit songs. All proceeds from that night will fund highest priority cancer research at the JCCC, including Seed Grants and Impact Grants. A big thank you to all who participated in making this year's event a memorable and impactful one!
