

Call for Grant Applications for the Barry Hoeven Memorial Cancer Research Project

Kure It is accepting grant applications from comprehensive cancer centers.

Kure It Cancer Research was established in 2007 with the goal of becoming the leader in granting funds to cancer researchers conducting innovative research projects to better treat and ultimately cure underfunded cancers. Kure It directly supports groundbreaking research at leading comprehensive cancer centers through its grants and awards.

PROGRAM SUMMARY

The proposed research project should be a new project intended to support clinical and translational work to advance the treatment approach to **kidney cancer** that is not receiving significant funding from any other source. Applicants will need to justify "underfunded" in the context of cancer research and how the proposed research project fits that definition.

The funding decision will be made by the Kure It Medical Advisory Board in conjunction with the Kure It Executive Officers and Board of Directors.

APPLICATION DATES

- **Submission Deadline: Monday, October 31st, 2022**
- **Decision Date: Monday, November 21st, 2022**
- **Start of Grant Term: Monday, December 5th, 2022**
